

Art Party Reservation Form

-Activities include painting, sculpture, printmaking, playdough, collage, shrink-art, and more. Teachers guide children in the use of the materials and keep the children engaged, without imposing prescribed art "products." We're happy to choose materials or projects that reflect your child's interests but do not provide pre-packaged themes. Siblings and children of a variety of ages are all welcome. Our creative activities are appropriate for a wide age range, but it is always helpful for us to know in advance what age range to expect.

-You bring the refreshments and decorations, and our staff will help you set up and clean up. Arrive 15 minutes early for setup. Food is typically saved for the end of the party, after the art activities. At the end of the party, each child goes home with their artwork and a gift certificate for a free class.

-Parents can either drop-off or stay during the party. There are cafés, parks, and shopping in the neighborhood.

-We recommend a visit to our studio before your party, especially if this will be your first time here! Our Operations Manager will walk you through the party process and answer any questions you may have.

-While gratuities are not expected, they certainly make our teachers feel appreciated!
